Welcome

The Grand Entrance Hall

With stunning high ceilings, central chandelier and twin marble fireplaces, The Grand Entrance Hall will give your guests the wow factor on arrival and can also be used for smaller ceremonies and evening receptions.

The Pengelly Room

The Pengelly Room, formerly The Music Room, is richly decorated with 19th century hand-painted Italian wallpaper. Entered through The Grand Entrance Hall, the room commands views of the rolling lawns which lead down to the five-acre lake. Perfect for an indoor ceremony or smaller reception, The Pengelly Room really does make a gorgeous background for your special day.

Maurward Hall

Maurward Hall is an open light space with panoramic window features and is suitable for larger functions, elegantly enhanced with lighting. The room benefits from air conditioning and audio-visual equipment to aid your speeches, and share your special memories by displaying your digital photographs on the screen. Its calm and neutral decor complements your preferred colour scheme by providing a blank canvas as a backdrop to your perfect day.

The Old Library

The Old Library has solid oak panelling and a fireplace surrounded by magnificent bookshelves. With its beautiful oak floor and ornate carved ceiling, it is the ideal setting for a small intimate ceremony or a quiet space for the couple to relax.

The Whatmoor Room

The Whatmoor Room offers a sunny escape from the hustle and bustle of a busy wedding day. Leading from The Pengelly Room, this quiet space offers aspects of the lake and ornamental pond area which perfectly suits smaller ceremonies or celebrations.

Terrace & Gardens

On a fine summer day, couples and their guests can enjoy time on the terrace area. With views over the lake and rolling lawn it makes the perfect spot for serving drinks and canapés and taking part in lawn games. The ornate stairs are a popular backdrop for those all-important family photos and guests can relax and take in the countryside views.

In the summer months you will have the opportunity to have a marquee outside whilst still having access to the main rooms of the house, to give you the best balance of the estate while keeping cool. With various locations to choose from, work directly with our fantastic recommended marquee suppliers and make your quintessentially British garden wedding come to life.

Whether you chose to have your licensed ceremony indoors or outdoors, take time out of your day to explore the vast landscaped gardens and stroll as newlyweds with your photographer in tow to capture those precious moments. The opportunities are endless; from ornate stone features to woodland walks and stunning flowerbeds, it truly is a photographer's haven.
