

A welcoming, supportive space to build confidence and skills for life, learning and work. With tailored programmes, dedicated staff and individual guidance, we help every student progress towards greater independence, further study or employment.

## Foundation Studies

Our Hairdressing courses are rooted in real experience. You'll train in our professional Signature Academy salons, working with clients and learning from expert tutors to gain the confidence to progress into salons, self-employment or further study.

## Hairdressing & Barbering

If you're interested in supporting people and making a difference, these courses combine theory with practical experience. You'll spend time on work placements and develop skills in facilities such as our mock hospital ward.

## Health & Social Care

## DEGREE LEVEL

You don't have to move away to study at university level. Our Higher Education courses, delivered with partners such as University of Plymouth and Pearson, give you the chance to gain a degree-level qualification closer to home, with flexibility to fit around work and family life.

## Welcome

At Coastland College, your journey is at the heart of everything we do. Whether you're aiming for university, securing an apprenticeship, or exploring a passion that could shape your future, our Weymouth Campus is where confidence, resilience and ambition come together to create opportunity.

We offer an exceptional range of courses all designed to prepare you for success in a rapidly changing world. Our dedicated staff will support and challenge you to achieve more than you imagined, helping you build the skills, knowledge, and mindset to thrive.

Ofsted has recognised us as a 'Good' college, celebrating the strength of our teaching and our commitment to preparing students for the future. Through our close partnerships with local employers and industries, you'll gain real-world experience and insights that make you ready for both today's opportunities and tomorrow's challenges.

But being part of Coastland College is about more than your studies. At Weymouth, you'll join a vibrant, welcoming community beside the beach - a place to grow, explore new ideas, and build lasting friendships. It's an exciting time to shape your future, and we can't wait to welcome you to the journey ahead.

**Kate Wills**  
CEO & Principal

Travel and Tourism courses are designed for those who enjoy meeting people, working in teams and discovering new places. With classroom learning, trips and real-world projects, you'll build the skills needed for careers in travel, tourism or events.

## Travel, Tourism & Events

Build confidence, teamwork and leadership through sport, fitness and practical training. From coaching and sports science to preparation for the armed forces or emergency services, you'll develop the skills, discipline and motivation to progress into active, rewarding careers.

## Sport & Public Services

## Music, Music Technology & Performing Arts

Explore performance, songwriting, DJing, music production, acting, dance or musical theatre. Work in professional studios and theatres, collaborate on gigs and productions, and develop the creative and technical skills to move confidently into university or the creative industries.

## LAND-BASED COURSES

Find out more about courses offered at our Kingston Maurward campus here:

## APPRENTICESHIPS

Apprenticeships are a great way to earn while you learn, either entering a new industry of your choosing, or upskilling in your chosen area to progress.

You will earn a wage whilst developing your knowledge and skills in both the workplace and at college. Apprenticeships can range from one to four years, or more for degree levels. We offer a wide range of apprenticeship opportunities from Level 2 to Level 5 across many employment sectors.

## Which Course do I want?

**16-18** - A-Levels and vocational courses for school leavers

**Apprenticeships** - Earn while you learn with on-the-job training

**Degree Level** - University level courses to progress your studies

**Adult Learning** - Functional skills and professional courses for 19+

At Coastland College, our Sixth Form is a supportive place to continue your journey after GCSEs. With more than 20 subjects to choose from, you can shape a pathway that feels right for you, with the option to combine A Levels and applied courses. Our students consistently achieve strong results and often progress further than they first imagined.

**A Levels**

If you're curious about how things work under the bonnet, our automotive courses could be the start of your career journey. You'll learn in modern workshops on real cars, developing the hands-on skills that open doors into the motor industry and beyond.

**Automotive**

Our Beauty courses offer the chance to develop professional skills in a calm, creative environment. Working with real clients in our Signature Academy salons, you'll build confidence and experience in treatments that prepare you for the next step in your journey

**Beauty Therapy & Aesthetics**

**Business**

Business is everywhere – from small start-ups to global companies. Our courses cover areas such as marketing, finance, human resources and operations, giving you the skills and confidence to step into the world of work or continue your studies in a direction that inspires you.

**16/18**

= 16 - 18

**A**

= Apprenticeships

**AL**

= Adult Learning

**DL**

= Degree Level

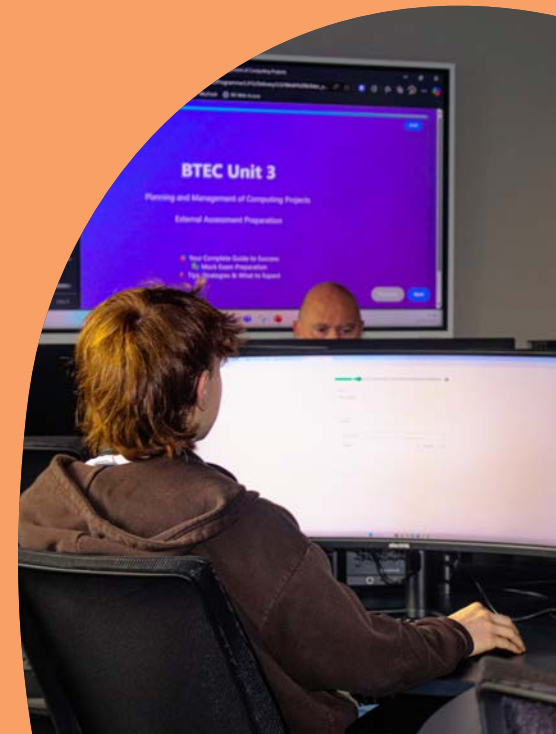

**Construction & Building Services**

Our Centre of Excellence for Construction Skills is a practical space where you'll gain real experience in trades such as bricklaying, carpentry, plumbing and electrical. With courses at every level, there are clear routes forward, whether you're starting out or building on existing skills.

From programming and cyber security to digital design and networking, our Computing and IT courses open up many pathways. Taught in dedicated computer suites, you'll explore the technology shaping the world today and tomorrow.

**Computing, Digital & IT**

If you love food and enjoy working with people, our Catering and Hospitality courses could be a perfect fit. You'll train in our professional kitchen and restaurant, The Avenue, developing real-world skills in a supportive and lively setting.

**Catering & Hospitality**

**Engineering**

Engineering is about problem-solving, design and innovation. At Coastland, you'll learn hands-on in well-equipped workshops, from mechanical and manufacturing engineering to more specialist areas, including Fabrication and Welding, developing the skills that can take you in many exciting directions.

Working with children is one of the most rewarding paths you can take. Our Early Years courses combine classroom learning with placements in nurseries, schools and childcare settings, including our own mock nursery, helping you grow the confidence, skills and understanding needed for this important work.

**Early Years & Education**

From film and TV to animation and games, these courses give you the tools to tell stories in new ways. You'll work on projects that mirror real industry practice, gaining experience that helps you move forward into further study or a media career.

**Creative Media Production**

At Coastland College, creativity is at our core. With specialist studios, workshops, projects, trips, exhibitions, and our annual Arts Festival, you'll develop ideas, showcase talent, and prepare for success in the creative industries.

**Creative & Visual Arts**
